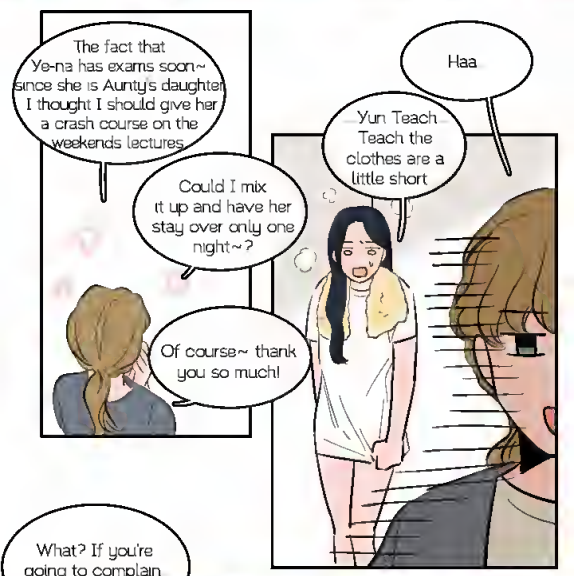
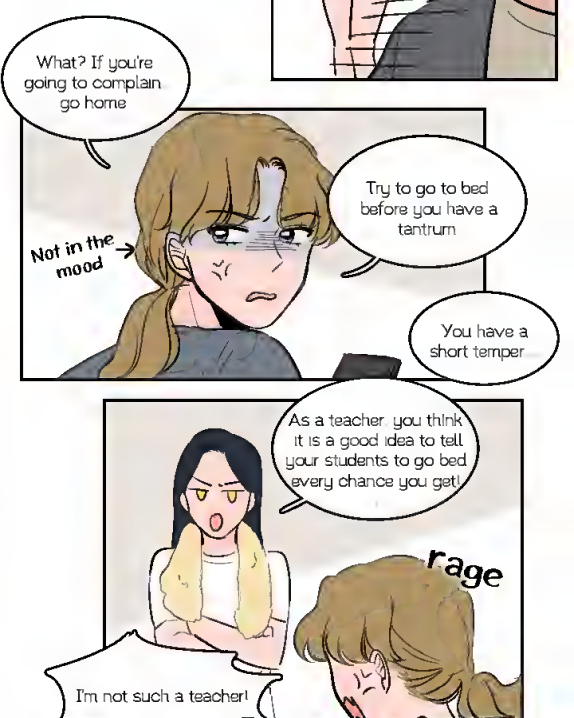
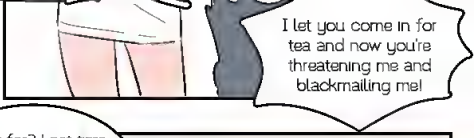
Hello Aunty~~
This is Yun~
*Yun's mother and Ye-na mother are friends
Remember? Good ~good! I've eaten a lot of the red ginseng from last time!



The fact that Ye-na has exams soon~ since she is Aunty's daughter I thought I should give her a crash course on the weekends lectures
Could I mix it up and have her stay over only one night~?
Of course~ thank you so much!
Haa
Yun Teach Teach the clothes are a little short



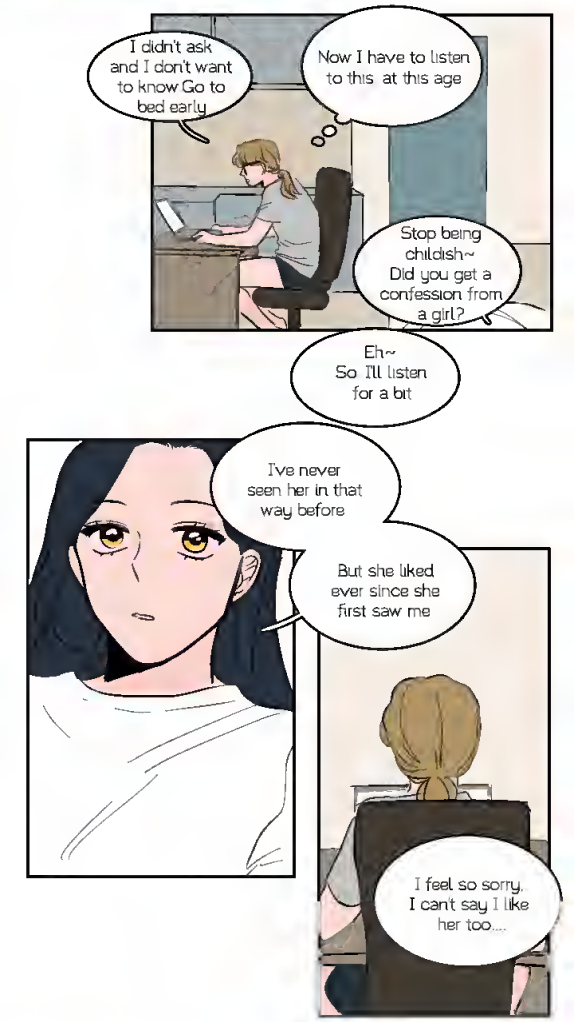
What? If you're going to complain go home
Not in the mood
Try to go to bed before you have a tantrum
You have a short temper
As a teacher, you think it is a good idea to tell your students to go bed every chance you get!
rage
I'm not such a teacher!



Unnie's Taste

Story by Jang Jin & Com

I got a confession from my childhood friend



I didn't ask and I don't want to know Go to bed early
Now I have to listen to this at this age
Stop being childish~ Did you get a confession from a girl?
Eh~ So I'll listen for a bit
I've never seen her in that way before
But she liked ever since she first saw me
I feel so sorry. I can't say I like her too....

...
Maybe it's better Pretend pretend to like her.

!
My life moved on and she wonders why. It's better to change the subject now.

What did you talk about with Na-li Teach?
Do you have a problem! You think she's the only woman in my life?

Lie. Even though Teach is still young
Hey. If you look at it, dating is like a business

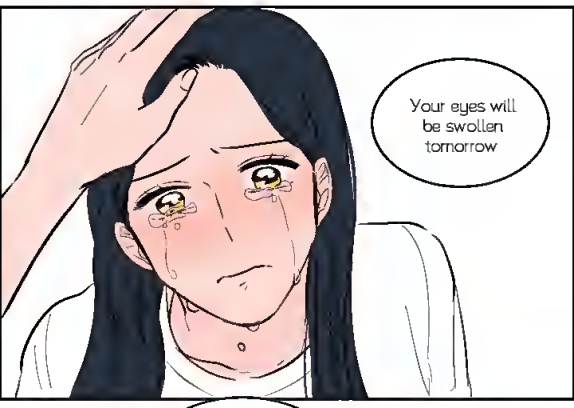
Gang Ye-na



Your eyes will be swollen tomorrow

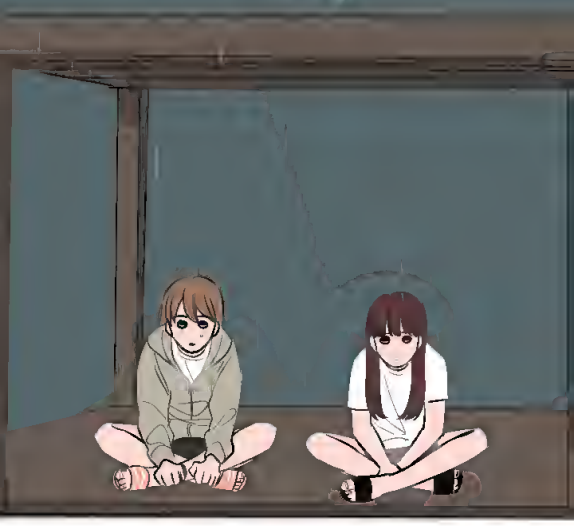
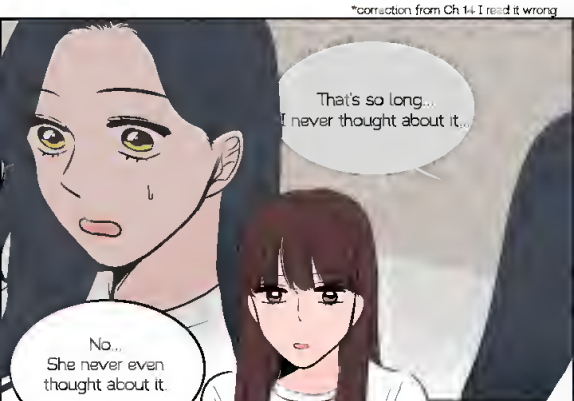
Yeon-hee, are you okay? Are you bleeding?
Youre okay Let's get home quickly
Unnie! Don't cry because I'm fine

Did you like me even then?

Sawaaaaaaa



*correction from Ch 14 I read it wrong



I'm sorry
Why did I say that?
Why did I make everything so complicated for her?
Why....
Unnie!
It's not sinful to love someone
Eh?
And confessing... It's not a bad thing.
If you have already said it, it's a matter of thinking now.
Your hands are cold...

Haas

I'm sorry
It's an excuse
...I hate seeing you, unnie going though a hard time

Why? You like Ye-na

Don't you hate me because I confessed myself?
